ITEM Supportive Services Policy Review

ACTION REQUESTED Action Item

PRESENTED BY Shannon Lewis, SWIB Director
Jane Weber, WIOA Committee Chair

INFORMATION Supportive services are services that are reasonable and necessary to enable WIOA participants to participate in activities funded under WIOA Title I.

MOTION Motion to adopt the WIOA Committee's recommendation and approve the Supportive Services Policy.

SYNOPSIS The Workforce Innovation and Opportunity Act (WIOA) provides program guidelines for supportive services for adults and dislocated workers. These include, but aren't limited to, services such as transportation, child care, dependent care, housing and assistance with uniforms and other appropriate work attire and work-related tools.

This policy outlines how the State of Montana will implement the Supportive Services provisions within WIOA.
